Relief

TSCA § 16(a)(1), 15 U.S.C. § 2615(a)(1), provides that any person who violates Section 409 of TSCA shall be liable to the United States for a civil penalty in an amount not to exceed \$25,000 for each such violation. However, this maximum penalty amount is limited by Section 1018(b)(5) of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d(b)(5), which makes violations of the Disclosure Rule enforceable under TSCA § 409 and limits penalties to not more than \$10,000 per violation. Pursuant to the Federal Civil Penalties Inflation Adjustment Act of 1990, 28 U.S.C. § 2461 note, Pub. L. 101-410, as amended by the Debt Collection Act of 1996, 31 U.S.C. § 3701 note, Pub. L. 104-134, EPA issued a final rule adjusting this \$10,000 figure upward by 10% to \$11,000 for violations that occur after July 28, 1997. 62 Fed. Reg. 35,037 (June 27, 1997); 40 C.F.R. Part 19.

The penalties proposed in Paragraphs 13 and 20 above, which total \$4,400, are based upon the facts alleged in this Complaint and upon those factors which the Complainant must consider pursuant to Section 16(a)(2)(B) of TSCA, 15 U.S.C. § 2615(a)(2)(B), including the nature, circumstances, extent and gravity of the violations, and with respect to the Respondent, ability to pay, effect on ability to continue to do business, any history of prior such violations, degree of culpability, and other such matters as justice may require in accordance with EPA's Section 1018 - Disclosure Rule Enforcement Response Policy, dated February 2000, a copy of which is enclosed herewith. This policy provides a rational, consistent and equitable calculation methodology for applying the statutory penalty factors enumerated above to particular cases.

The proposed penalty as set forth in this Complaint is based on the best information available to EPA at the time that the Complaint was issued. The penalty may be adjusted if the Respondent establishes bonafide issues of ability to pay, or other defenses relevant to the appropriate amount of the proposed penalty. A summary of the proposed penalty is contained in the enclosed Civil Penalty Assessment Worksheets attached hereto and incorporated herein by reference.

If Respondent does not contest the findings and assessments set forth above, payment of the total penalty - \$4,400 - may be made by certified or cashier's check payable to the "Treasurer, United States of America," and remitted to:

Mellon Bank

Notice of Opportunity to Request a Hearing  
Answer and Request for Hearing

In accordance with 5 U.S.C. § 554, Respondent has the right to request a hearing to contest any material fact contained in this Complaint above or to contest the appropriateness of the proposed penalty set forth herein. Such a hearing will be held and conducted in accordance with the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. Part 22, a copy of which is enclosed herewith.

To avoid being found in default, which constitutes an admission of all facts alleged in this Complaint and a waiver of the right to hearing, Respondent must file a written answer and request for hearing within thirty (30) days of service of this Complaint and Notice of Opportunity for Hearing. Said answer shall clearly and directly admit, deny or explain each of the factual allegations contained in this Complaint with regard to which Respondent has any knowledge, or shall clearly state that Respondent has no knowledge as to particular factual allegations in this Complaint. The answer shall also state: (a) the circumstances or arguments which are alleged to constitute the grounds of any defense; (b) the facts which Respondent disputes; (c) the basis for opposing any proposed relief; and (d) whether a hearing is requested.

The denial of any material fact or the raising of any affirmative defense shall be construed as a request for hearing. Failure to deny or explain any factual allegation contained in the Complaint constitutes an admission of the allegation. Said answer shall be filed with the following:

Regional Hearing Clerk  
U.S. Environmental Protection Agency  
Region 7  
901 N. 5<sup>th</sup> Street  
Kansas City, Kansas 66101

A copy of the answer and request for hearing and copies of any subsequent documents filed in this action should be sent to Julie Murray at the address indicated below.

If Respondent fails to file a written answer and request for a hearing within thirty (30) days of service of this Complaint and Notice of Opportunity for Hearing, such failure will constitute a binding admission of all allegations made in this Complaint and a waiver of Respondent's right to a hearing under TSCA. A Default Order may thereafter be issued by the Regional Judicial Officer and the civil penalty proposed herein shall become due and payable without further proceedings.

Informal Settlement Conference

Whether or not Respondent requests a hearing, an informal conference may be requested in order to discuss the facts of this case, the proposed penalty, and the possibility of settlement. To request a settlement conference, please contact:

Julie Murray  
Assistant Regional Counsel  
United States Environmental Protection Agency  
Region 7

Kansas City, Kansas 66101  
Telephone (913) 551-7448  
Facsimile (913) 551-7925

Please note that a request for an informal settlement conference does not extend the thirty (30) day period during which a written answer and request for a hearing must be submitted.

EPA encourages all parties against whom a civil penalty is proposed to pursue the possibilities of settlement as a result of informal conference. Any settlement which may be reached as a result of such a conference shall be embodied in a written Consent Agreement and Final Order issued by the Regional Judicial Officer, EPA Region 7. The issuance of such a Consent Agreement and Final Order shall constitute a waiver of Respondent's right to request a hearing on any matter stipulated therein.

If Respondent has neither achieved a settlement by informal conference nor filed an answer within the thirty (30) day time period allowed by this Notice, the penalty proposed above may be assessed by the entry of a Default Order.
